

Project Management Consultant

Our Company

BrandActive specializes in the financial analysis, strategy and logistics of rebranding implementation for organizations undergoing a brand identity change due to a rebranding program, an acquisition, merger, or spin-off.

Our services combine industry leading analytics with a unique and proven methodology that provides our clients with the information needed to make sound financial decisions, and save time and money. Since 1998, BrandActive has scoped, budgeted, planned, and executed brand change for many of the world's most valuable brands.

BrandActive delivers world-class rebrand implementation expertise to clients in all industries, with specialization in healthcare, financial services, energy, mining, and telecommunications. BrandActive has worked in over 110 countries, providing North American clients with global operational reach.

Our goal is to build a unique company; a company that provides an experience where people are valued for who they are and what they contribute, are supported and challenged in their growth and feel proud to be part of BrandActive. We do a great job with great people and have a great time doing it!
